Dear Tertius Bester

Letter of Thanks

We at Village Exhibitions and Events would like to thank you for your services. Everything was done professionally this is what makes most of our suppliers unique. We are impressed and our client is very happy with the work done.

The IAMRA Conference was a huge success and we are sure to make use of your services in the future. We have had compliments from delegates which are not usually done at an international event, but without your professional services this would not have been possible.

We appreciate your input and once again many thanks.

Kind regards,

The Village Team
